SilverCap™ OverDrive™ Fits Over Any Winch and Converts it to a Ratcheting Winch.

Put a Cap on Your Loading Time.

Truckers know how time consuming tying down cargo can be. To make flat-bed load securement, faster, easier and safer, Ancra International developed SilverCap™ - the world's first ratcheting winch. However, many flat-bed owners think they can't make a switch to SilverCap because they have weld-on winches or their winches aren't ready to be replaced.

There's Nothing Stopping You from Using SilverCap!

Ancra introduces SilverCap OverDrive™, a fast, convenient and economical way to turn ANY winch into a SilverCap ratcheting winch.

Shift Your Productivity into Overdrive.

SilverCap OverDrive installs easily to weld-on, bolt-on, or slide-on winches. It fits over the winch's existing cap and secures with a heavy-duty pin and bolt. OverDrive works just like a SilverCap winch, with patented ratcheting action allowing you to keep the winch bar in the cap until the winch strap is tightened. OverDrive uses Ancra's GrimeGuard™ weather-tight seal that keeps the elements from the key moving parts. And like the original SilverCap, OverDrive is built tough, to withstand anything the road can throw at it.

Ancra's original SilverCap ratcheting winch revolutionized load securement.

This time, we didn't reinvent the winch, we just reinvented what turns it... SilverCap OverDrive!

**"Now I can turn
ALL my winches
into ratcheting
winches with..."**

**SilverCap™
OverDrive™**
Turns Any Winch Into A
Ratcheting Winch

- OverDrive fits over the winch cap on slide-on, portable, and weld-on winches. No need to remove or replace existing winches.
- Installation is as easy as 1-2-3.
- Patented ratcheting action allows you to keep the winch bar in the cap until the winch strap is tightened, cutting loading time by as much as half.
- Built Ankra-tough to the industry's highest standards.
- Lab and field tested with thousands of ratcheting cycles.
- Fitted with Ankra's GrimeGuard™ weather-tight seal to protect key moving parts from the elements.
- Safer and easier to use than traditional winches.
- Internal mechanism is permanently lubricated.
- Standard 3-month warranty.
