Challenges

Proven 3 Step Process to Increase Profits for your Fleet

## ✓ 3 Step Process to Increase **Profits** for your Fleet:

1. Evaluate the best Lift-A-Deck II system for your fleets application.
2. Testing - Ancra will assist in collecting and analyzing data using Six Sigma methodologies. The test data collected will show your fleet specifically how you will benefit from utilizing the Lift-A-Deck II.
3. Training - Ancra will provide a comprehensive training video to assist in properly training your employees loading the trailers equipped with the Lift-A-Deck II. Ancra will also assist in developing a corporate training program specific to your fleet.

**Key Training Points**

- Helps ensure all employees are trained to use the Lift-A-Deck II system properly
- Better training ensures the fleet owner is gaining maximum loading efficiencies when using Lift-A-Deck II

**PROPER EQUIPMENT USAGE**

**PROPER LOADING**

**LOAD FREIGHT SAFELY AND SECURELY**

**Training Program to Safely and Securely Load Freight**
