## **Ancra announces another Sales Department addition**

**Erlanger, KY. — Ancra International (Erlanger, KY)** Ancra International, the global leader in load securement innovation, today announced that Darrin Paul, formerly Director of Sales for the Western Region with Kinedyne has joined Ancra International as the Western Regional Manager. Paul, who had been with Kinedyne since 1991, brings his 19 years of cargo control experience to the Ancra International team. Paul joins Tony White, formerly Director of Sales for the Eastern Region with Kinedyne, and the two will function in much the same capacity for Ancra International. Jim Calico, the former VP of Sales at Kinedyne also recently joined Ancra as VP of Business Development.

Since 1969 Ancra International LLC, headquartered in Hawthorne, Calif., has been a world-class designer and manufacturer of restraint-related components and assemblies serving the commercial vehicle market and other industries. Its heritage as a product innovator is underscored by the fact that Ancra holds 71 domestic and foreign patents and 51 product trademarks. Each product is made from only the finest materials with attention given to every engineering detail. All component parts and materials are selected for performance and durability to offer customers the most cost-effective and reliable solutions to their needs. In 1996, Ancra was acquired by The Heico Companies. Heico companies have aggregate sales of more than \$2.5 billion and an exceptional resource of professional services, financial and insurance partners.
